

Weltweit miteinander Kirche sein Echange et partage entre Eglises

PRAYER

FOR WORLD MISSION SUNDAY

God, our loving Father
We are celebrating the community of Christians
worldwide who are marching
together on the path of faith.

The sacrament of baptism is uniting us across all borders and cultures to be one unique family.

You are sending us across the borders, to meet our neighbours in order to be sisters or brothers to them.

Like the disciples, you are sending us that we serve life where we stay, so that all the people have life abundantly.

Especially we pray for the Church in India which in the multi-religious context proclaims and witnesses the love of God to all the people without distinction.

Accompany our community, guide us with the Word of Your Son and strengthen us through the power of your Spirit.

Amen
